

Internship Marketing & Public Relations

Internship at IntraWorlds

IntraWorlds (www.intraworlds.com) was founded in 2002 and has since grown to a **leading European provider** of social software solutions. Today, the company is active in four countries with customers across the globe including some of the leading universities as well as **global players** such as Bertelsmann, GfK and BMW.

We create **white-label social networks** for universities, non-profit organisations and companies allowing them to connect their members, customers and employees using the most advanced technology in the market. Users of the platforms are kept up-to-date, benefit from the enhanced career network, and exchange information. Our business model is based on a continuous service relationship.

We are looking for **interns** who like to work in our start-up company and want to support us energetically in the range of **Marketing and Public Relations** to expand our market presence. You work in a young team with entrepreneurial **excitement** to make our ambitious expansion plan come true. In the process you will be **responsible for your own project** and you will get deep insights in different areas of our company.

We offer you an appropriate **internship remuneration** and enable a **flexible duration** between 2 and 12 months. You work as a college of our Munich team directly with the IntraWorlds-founders.

Your Profile

- Very good university track record
- English as mother tongue, knowledge of foreign languages is advantageous
- Good knowledge of Windows Office applications (Word, Excel, Powerpoint), knowledge of InDesign, Photoshop or Typo3 is an additional plus
- Possibly first experiences with Online Marketing, Search Engine Optimization, Search Engine Marketing and Public Relations
- Ability to successfully work on projects independently and as part of a team
